S. R 11 of 1892 Memo.

Serial no. 64.

The Excise Commissioner requested sanction to alter the period of the current Ganja Contract from five years to one year as Mr N. C. Papanna had applied for such alteration on the ground that as the Arrack Conveying Contract was only for one year, it would be impossible for him to carry on the business from the beginning of April next.

Serial no 65.

2. The Excise Commissioner was informed in reply that no sufficient reason had been shown for revising the terms of the Contract as sanctioned in Procs.

*Serial no 63.

No $\frac{1618^{+}}{139}$ dated 25th April 92 & that there being no apparent connection between the

Ganja Contract and the Arrack Conveying Contract the former should rest on its own merits.

3. The Excise Commr. states in reply that the Ganja contract just concluded was given to Messrs C. Papannah & Co on the ground that it was convenient to them to sell Ganja and majum from their Arrack Wholesale Depôts - and that the present Ganja contract also is given to Mr C Papanna on the same grounds - Mr C. Papanna carries on the business of the Ganja Contract by paying a small commission to Mutsaddies in charge of Arrack Farm Depôts. After the close of the Arrack Conveying contract, Mr   Serial No 66.

C Pappanna would be under the necessity of maintaining a larger establishment at heavier cost to carry on the business of the Ganja Contract and he could not therefore carry on the Ganja Contract under the present terms. The Excise Commr says that Mr C. Papanna's prayer is reasonable and that in his opinion it should be granted.

This agreement is entered into the Second day of September one thousand eight hundred and ninety-two between L. Ricketts, Esq., Excise Commissioner in Mysore, for the time being on behalf of the Government of Mysore on the one part, and Mr. Nilgiri Chikka Papanna on the other, for the exclusive privilege of the whole-sale vend of Ganja and its preparations, (except halva) in all the eight Districts of the Mysore Province, but exclusive of the Civil and Military Station of Bangalore.

Payment of fees on excess sales and adjustment of deficient sales.

From

To

The Chief Secretary
to the Dewan of Mysore

Sir,

In reply to your docket No: 5062/RF 176·92, dated 12th/13 instant, I have the honor to state that the Ganja Contract up to the end of March last, had been given to Messrs. C. Papannah and Co; on the ground that it was convenient to them to sell Ganja and Majum from their arrack Wholesale Depôts. The present Ganja Contract also is given to Mr. C. Papannah on the same grounds. The Bonded Depôts being under him, he deposits Ganja and Majum in them and sells the same therefrom to retail shopkeepers, paying a small commission to the Mutsaddys in charge of the Depôts. The contract of these Depôts has been given to him only for one year. In the Bangalore District also he has made similar arrangements, by paying a small

Commissi

commission to the Mutsuddys in charge of Farm Depôts. If such Depôts were not opened next year, or if the contract of conveying liquor from the Distillery, were not given to him at the close of the current year, he could not carry on the Ganja Contract under the present terms, as he would be under the necessity to establish independent Wholesale Depôts at a heavier cost, for the deposit and sale of Ganja and Majum. Therefore Mr. C. Papannah requests that the period of the Ganja Contract may be made conterminous with his arrack Contract. His request is reasonable, and in my opinion should be complied with.
